---

## **Wages and Fringe Benefits (Article III Section 3.05)**

## **Addendum to the Residential Agreement**

The bargaining parties acknowledge the ongoing efforts of creating an addendum to aid in the recapture of the residential market share within the jurisdictional area of this agreement. If at any time during the term of this agreement an addendum is agreed to, it may be implemented as part of this agreement.

The bargaining parties will continue to discuss attempts to expand the residential market with IBEW Sixth District. Efforts to expand the residential market beyond the above stated addendum may include additional local unions in Northern Illinois and more flexible working provisions.

If you have any questions concerning these changes, please contact the Chapter Office at (630) 876-5360.
